

The image features a stylized map of Gazoz Beach. The map is rendered in a light blue color and is set against a background of dense, wavy, black lines that create a textured, water-like effect. The map's outline is irregular, following the coastline of the beach. In the center of the map, there is a white rectangular box with a thin black border. Inside this box, the words "GAZDZ" and "BEACH" are written in a bold, black, sans-serif font, stacked vertically. The overall aesthetic is modern and graphic.
